About IBH

IBH Consultants Pvt. Ltd. is India's leading consultancy and training house dedicated to bring the benefits of quality, academics and management to organizations across industry and society at large.

IBH offers a dynamic blend of consultancy and training solutions to help organizations build themselves to not only face but to lead the global changes. Committed to implementing Quality, IBH collaborates with its clients to help them become high-quality organizations.

Our "high quality organization" strategy builds on our expertise in quality, academics and management consulting and training to help clients perform at the highest levels so they can create sustainable value for their customers and stakeholders. Using our industry knowledge and service-offering expertise, we identify new quality trends and develop solutions to help clients around the region.

With core participation from some of the most qualified, exercised scholarly people from India, IBH focuses on meeting grand challenges in quality, academics and management – the main pillars of the modern society. IBH advisory board includes management gurus, leading educationists, entrepreneurs, expert engineers and policy makers. Powered by state of the art infrastructure, skilled and efficient team to execute the project and well defined processes, IBH is poised to be the most promising consulting destination of our times.

Among the other strengths which distinguish IBH in the marketplace are
